

Lighthorne Christmas Card Scheme for the Benefit of Myton Hospice

by Jane Rigby (2023)

The scheme was the brainchild of the late Keith Sheppard and may have begun a few years prior to the years for which I have figures. It was started because so many people were exchanging Christmas cards within the village even though we saw each other frequently.

Enough cards are bought from Myton Hospice to deliver one to each house in the village. Participants in the scheme are asked to bring an envelope containing folded money, with their names written on the outside as they wish them to be printed on the card. The names are then printed on each card and they are delivered to every house in the village. Many people help with the distribution of the cards which is super. All money collected, after the cards have been paid for, is then given to Myton Hospice.

Myton Hamlet Hospice would like to thank all who contributed towards the production of this card.

All the proceeds from the Lighthorne card scheme have gone towards their work.

Season's Greetings

*Myton Hospice would like to thank all who contributed
towards the production of this card. All proceeds from the
Lighthorne Card Scheme have gone towards their work.*

Warwick Print & Copy who donated the printing of this card would like to
dedicate it to the memory of Mike Rigby who did so much for the scheme.

Interior of 2022 Christmas card

For some years we overprinted the cards ourselves or paid a printer to do it for us. More recently Warwick Print and Copy have generously done it with no payment, calling it their donation to Myton Hospice. Since Mike Rigby died in 2020 they have even done the layout too and their generosity is much appreciated.
